

# Swiss NLP Expo

**A dynamic one-day event dedicated to Artificial Intelligence and new language technologies.**  
**Are you ready to dive deeper into the world of Natural Language Processing (NLP) and Generative AI (GenAI)?**

**13 May 2025**

9 am - 5 pm

**Haus Adeline Favre**

Katharina-Sulzer-Platz 9  
8400 Winterthur

## **Expect to see:**

-  Talks by industry leaders (Google, NVIDIA etc.)
-  30+ booths of companies and research teams
-  A job fair and an anonymous job seekers' board
-  And many more activities!

**Whether you're an expert, looking for products & solutions, or simply curious, this event is for you.**  
**Scan the code to get your ticket, and see you there!**
