

Internship at Basida - Spain

Theme	Socially disadvantaged
Location	Aranjuez, Navahondilla, Manzanares
Duration	Min. 3 months
Language	Spanish

Project description Basida is an NGO that provides medical and psychosocial support to HIV-positives, drug addicts, and others with special needs. Since 1987, it has opened 3 centres: all of them run by a multi-professional voluntary staff. The physical and psychological recovery as well as the social rehabilitation of Basida residents are being achieved thanks to the teamwork that really cares for them. Basida team tries to help the residents who live in the centre to regain hope and self esteem.

Work description Participating in the daily life of the Centre. Personal care of residents wwho might need it (such as helping them to get dressed). An important part of your stay will be socialising with the community of the centre. Helping in physical and psychological rehab activities, preparing workshops (wood, gardening, sports, alphabetization, children, etc.). Daytrips accompaniment. Centre maintenance (laundry, cleaning...)

Requirements Mature and responsible person. Interested in AIDS and drug abuse problematics, Motivated in learning Spanish culture and language. Basic knowledge of spoken Spanish. No drug use is allowed in the Centre, including smoking and alcohol. Dynamic and social person. Respect for the rules of the house.
